

Call For Papers

2026 International Conference in Advanced Energy, Environment and Materials, ICAEEM 26

27 December, 2026

09:00 AM – 05:30 PM (UTC+7)

Online Mode

Advancing Sustainable Frontiers: From Innovative Materials to Clean Energy Solutions

Speakers

Thermoelectric Generator and Cooler

Dr. Vaithinathan Karthikeyan,
Hong Kong Metropolitan
University, Hong Kong

Renewable Energy and Sustainable Building Materials

Dr. Madhan Kuppusamy
King Fahd University of
Petroleum & Minerals,
Saudi Arabia

Topics

- **Advanced Energy Systems:** Solar, wind, and hydro power; advanced storage and batteries; thermoelectrics; hybrid/wireless transmission; and waste-to-energy.
- **Next-Generation Materials:** Nanomaterials, advanced energy and high-temperature materials, powder metallurgy, coatings, and biomedical applications.
- **Environmental & Sustainable Engineering:** Sustainable agriculture, pollution control, carbon capture, climate mitigation, and circular economy solutions.
- **Smart Systems & Innovations:** AI/ML, IoT, automation, electric vehicles, and data-driven industrial applications.

Important Dates

- Full Paper Submission Deadline **Aug 30, 2026**
- Notification of Full Paper Revision/Rejection **Oct 15, 2026**
- Notification of full paper acceptance **Nov 01, 2026**
- Publication **Dec 30, 2026**

Registration Fee

ICAEEEM 26 Proceedings and PEMA journal publication

***** 1000 THB *****

Energy Engineering, Published by Tech Science Press, hosted on Elsevier's ScienceDirect, Scopus indexed

Through the ICAEEEM 26 conference, 60% discount will be applied to the original APC (subject to the journal's official website).

Publication Opportunity

- All the accepted papers for the PEMA journal (ISSN pending) will be published in the ICAEEEM 26 conference proceedings.
- The rejected papers from the Energy Engineering journal shall be considered for the PEMA journal and ICAEEEM 26 proceedings publications (conditions apply).
